WHAT WE ARE

94.1FM Gold Coast is a radio station which commenced on the Gold Coast in April 2013.

The studio is located at Suite 10 Rodman Centre, 11 Karp Court, Bundall in the heart of the Gold Coast. We broadcast from Tambourine Mountain on 5KW power the same as all major licenced Gold Coast Stations covering from South Brisbane to the Tweed Coast.

Our community charter is to provide music, news, sport and weather, local events and general community engagement and communication of information that is relevant to our Gold Coast listeners.

Our daytime playlist is a selection of great popular music from today and the past and we offer a variety of night time Special Programs that focus on the different genres of music.

We extend to the Gold Coast community FREE announcements to non-profit and charity entities. The station is associated with Lions, Rotary and many other community organisations and events. **94.1FM** has broadcast from community events such as The Annual Rotary Kokoda Run, Cooly Rocks On and many more.

94.1FM Gold Coast runs continuous giveaway competitions to attract listeners and supporters. We weekly giveaway show and movie tickets to major Gold Coast venues. We have also given away 2 Toyota Yaris Cars and a Uni World European River Cruise worth \$28,000. One of the biggest prizes on Gold Coast radio.

94.1FM Gold Coast has captured a very large audience by offering a different listener experience with our philosophy of “MORE MUSIC – LESS TALK”. *Our own internal surveys (over 2100 phone samples – 3 months) and estimates from “other sources” show the station has the fastest growing audience on the coast. *TMF Survey Sep 2016 – Nov 2016*

"94.1FM- It's been amazing partnership this year. I always loved listening to them, then we decided as REGAL Shower Screens to become a sponsor with them. Honestly, they have been amazing to us. Everyone there is just so nice and really personable. They know you as a person, not just a company advertising with them. Not just great easy listening music to de-stress your day, but wonderful people to go along with it. Thanks 94.1FM Gold Coast. Unreal.

94.1FM Gold Coast external promotions have included **cinema** and **bus wraps** coupled with Outside Broadcasts from **The Star Gold Coast, Harvey Norman, Pimpama Shopping Centre, Bunnings and Air Gold Coast.**

94.1FM Gold Coast has an agenda to provide a professional alternative radio service to the Gold Coast. The station is managed by The Gold Coast Community Radio Association Inc. headed by CEO Gary Field with 50 years Radio & Television management, presentation & production experience.
